DEVINHENDERSON

ABOUT

Multi-award winning magician and nationally recognized motivational speaker Devin Henderson specializes in using magic to deliver high-impact messages. Fortune 500 Companies across the nation book this professional entertainer repeatedly for his clean content, inspiring words, and ability to engage large audiences. These repeat bookings prove the satisfaction of Devin's clients and his ability to win a crowd over.

Devin's talents have been featured in multiple television commercials. He has appeared on FOX, CBS, NBC, and a motion picture. He has also appeared at corporate events, college campuses, and ministry organizations nationwide.

Born in the Kansas City area, Devin was inspired at a young age by another magician, finding his love for the art of magic and in turn discovering one of his life's passions. His greatest passion, however, is striving to live out his Christian faith so that God's love will shine through him and reach others. Two of his programs are devoted to relating spiritual truths to his magic. Devin credits the success of his magical career to God, as well as the endless support of his wonderful family and his faithful clients.
